Customer Spotlight

Here at Collier's, we appreciate our customers. We realize that without you, our company would not be where it is today. We would like to use this space to recognize a few of our loyal customers-- Dean and Kathleen.

Dean and Kathleen moved from Virginia in 2010. They built their forever home and have been loving Indiana ever since.

Their favorite part of their home is their Wood Stone oven. Being an Alton Brown fan and attending pizza conventions, Dean has mastered the art of pizza making down to the last ounce. Dean and Kathleen also love attending cooking classes (where Dean does the cooking and Kathleen does the sampling.)

Kathleen and Dean described their ideal Friday night as having friends over, cooking pizza and drinking wine. Oh, and we can't forget dessert-- Lemon Meringue pizza with huckleberries, Kathleen's favorite.

These two have a fun and vibrant relationship. After working with each other many years, Dean laughed while saying, "We met at our workplace, and I couldn't get away with anything." He continued with, "Whenever we write our holiday letters, I send it over to the doc. group, then it goes to graphics."

“ I couldn't imagine having anyone else out but Collier's. I'm not sure I'd trust them. ”

Whenever I asked why they chose Collier's, Dean replied with, "Collier's did a great job with our geothermal system and our duct work. I couldn't imagine having anyone else out but Collier's. I'm not sure I'd trust them."

Interviewing these two was a pleasure. We are so thankful for the opportunity to serve such wonderful, kind customers. Cheers to tasty pizza, sweet wine and good friends!
